About Mashkode Supply

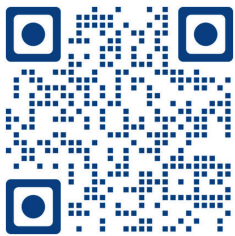

Mashkode Supply is a 100% First Nation-owned Canadian supplier serving First Nations schools, Indigenous organizations, and communities.

Through trusted supplier partnerships and dependable logistics, we provide classroom furniture, school supplies, Indigenous learning resources, technology, janitorial products, and facility maintenance essentials—all with responsive service and competitive pricing.

Our goal is to simplify procurement and help create safe, engaging, and inspiring learning environments. Every order is backed by our commitment to quality, integrity, and the communities we serve.

This catalog represents only a small selection of the products available from Mashkode Supply. Please contact our sales team for any additional products your school requires.

Prices are subject to change due to market conditions and global events.

CHAIR HEIGHT GUIDE

Find the Right Fit for Every Age

14" CHAIR

Recommended For:
Ages 3 – 5

Preschool – Kindergarten

16" CHAIR

Recommended For:
Ages 6 – 8

Early Elementary
(Grades 1 – 3)

18" CHAIR

Recommended For:
Ages 9 – 12

Upper Elementary
(Grades 4 – 6)

WHY CHAIR HEIGHT MATTERS

- ✓ Proper chair height supports good posture and comfort.
- ✓ Helps students stay focused and engaged.
- ✓ Reduces strain and promotes healthy development.

- ✓ Elbows at desk height
- ✓ Feet flat on the floor

Tip: When in doubt, size up. It's easier to adjust down with a footrest than up with a chair that's too short.

Optoma 3863RK Creative Touch 3 Series Interactive Display, 86"

Introducing the New Creative Touch 3 Series by Optoma.

The classroom of the future needs powerful, adaptable, and user-friendly tools. That's where the New Creative Touch 3 Series comes in, Optoma's next-generation, Google EDLA-certified Interactive Display designed to transform learning environments while meeting the needs of modern educators.

Optoma is thrilled to partner with Raptor Technologies, the leading innovator in school safety solutions, redefining the landscape of school security with its Raptor School Safety Software Suite.

By integrating Raptor's software with Optoma's interactive displays, school administrators and students can receive real-time alerts and emergency notifications using CAP protocols to improve the overall safety of the school.
